

Welcome

Nothing beats security and comfort right at your own home. Home is where compassion and inspiration begin. There is nothing better than to see your loved one greet you with a happy face in the morning. Home Care Services of Illinois can attest to the years of experience we have in bringing quality home care services in Chicago and to the neighboring cities and counties in Illinois.

Home Care Services of Illinois is a home care company that places personal care attendants, companions and homemakers to clients to help them remain independent at the comfort of their own residences. Excellence towards work is our valued belief and this belief is what keeps us going in providing continued service to all of you.

To know more about Home Care Services of Illinois, call us today at 847-577-6992. Our team of caring staff members is always happy to hear from you.

It is a wonderful opportunity to be part of a team who is passionate about what they do. I am very proud to say that we only offer you the best caregivers the state of Illinois can give. It is such a fulfilling experience to watch satisfied clients over the years and get to know them and most specially - become a part of their lives.

About Us

Keep the tradition of Home Care Excellence has been our major goal in providing you the quality home care services you need.

For years, our well trained staff has been a constant companion to clients at their own residences. Our compassionate caregivers are specialized in handling clients with Alzheimer's disease, cancer, cerebral palsy, multiple sclerosis, diabetes and hospice patients. We can assure you of receiving the appropriate home care services you and your family need.

It is of our greatest concern that we provide the best home care service you or a loved one deserves. **Home Care Services of Illinois** is driven with the proper understanding on how to deal with clients and treat them as part of our own family.

Drawing from our pool of experienced caregivers, **Home Care Services of Illinois** excels in finding the right person for the most difficult situations, including rapid

Home Care Services of Illinois

Our professional caregivers were screened through:

- An initial phone interview
- Face to face interview with a specially trained coordinator
- Rigorous training of practical skills, literacy, integrity, personality and character
- Thorough background screening, including checking of at least three character references

We are inviting you to give us a call today at **(847) 795 - 8535 / 847-576-992** and find out more about our specialized home care services.
